SUSTAINABILITY & LEGACY PROGRAM

AQUATICS
Social
Responsibility

Diving Championships

22 – 28 May 2025

EUROPEAN AQUATICS.

AQUATICS Social Responsibility

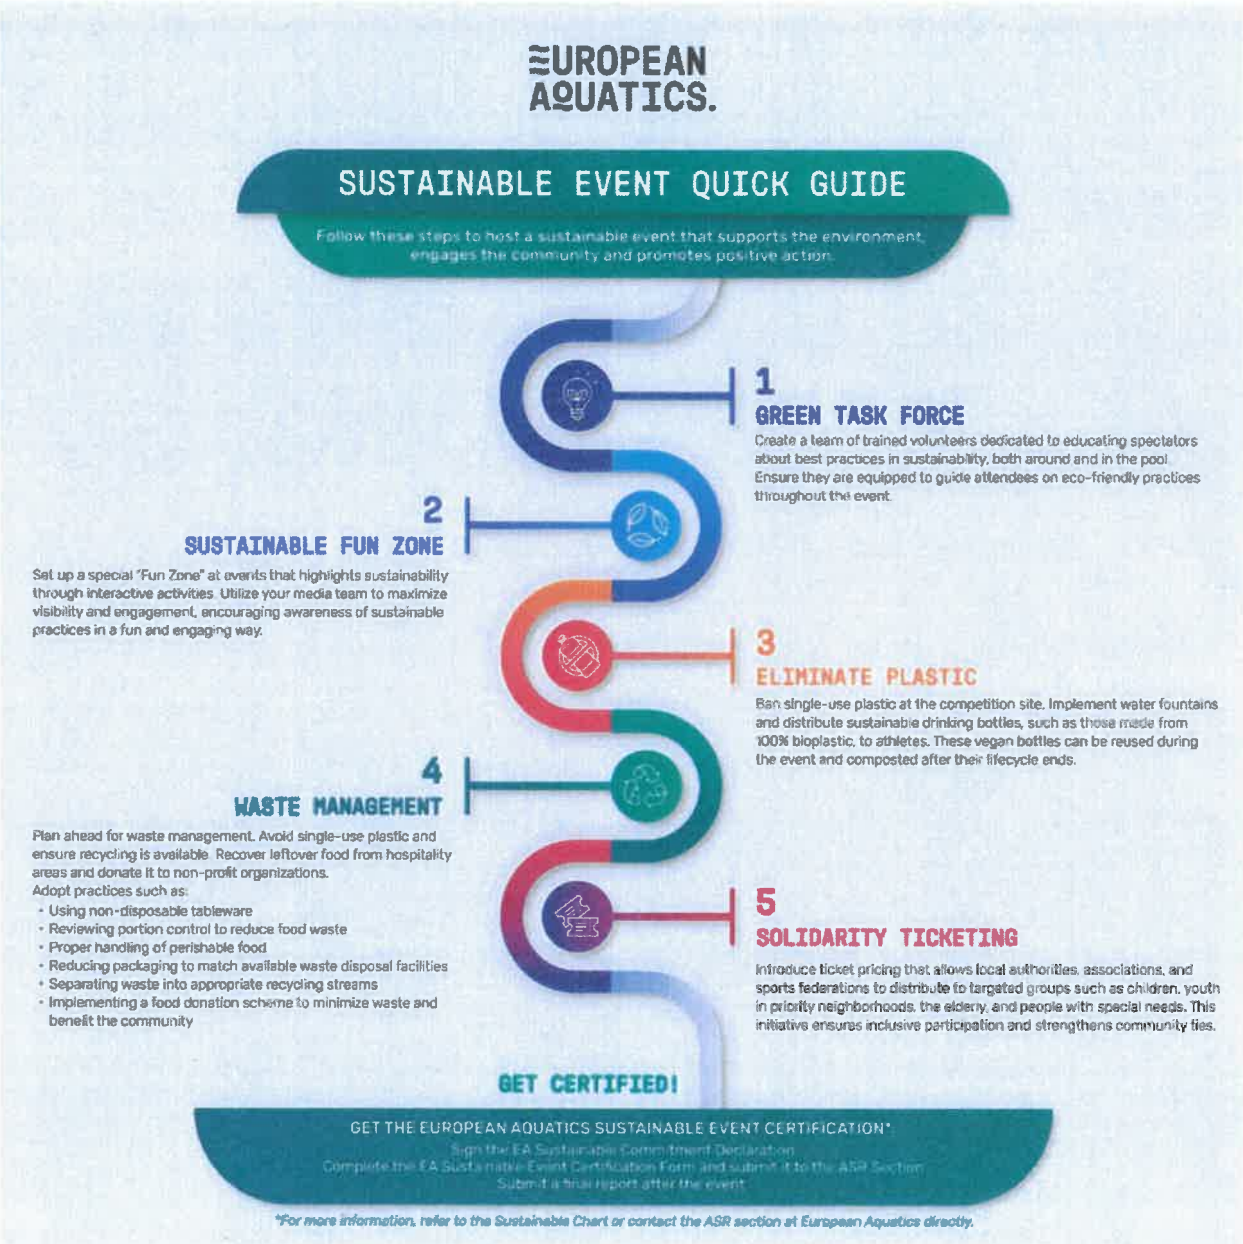
European Aquatics, **Gloria Sports Arena** and **Türkiye Swimming Federation** are committed to set a benchmark for aquatics events by delivering a set of sustainable practices which aim to:

- Minimise the environmental impact of the 2025 European Aquatics Events
- Foster social and economic legacy for the benefit of the host local and wider community
- Inspire the local and wider community to adopt healthy and active styles through the Aquatics Social Responsibility Strategy
- Promote the sustainable development goals as a catalyst for sustainable development through sports

Our organizations recognise that maintaining a clean environment and conserving water are essential for ensuring a healthy and sustainable world, which is crucial for the well-being of athletes and society. We are also aware that achieving the United Nations Sustainable Development Goals requires significant and transformative actions to halt and reverse biodiversity loss by 2030.

We aim to make a positive contribution to the promotion of a sustainable future for aquatics, therefore all participants, team members, staff, volunteers and spectators are encouraged to support a joint ambition and commitment to sustainability by embarking on a journey to reduce their individual carbon footprint.

This Sustainability & Legacy Plan is aligned with the sustainability goals and policies of the City of **Antalya, Turkey, Gloria Sports Arena** and **Türkiye Swimming Federation** and will be implemented with a focus on the five following key priorities:



SUSTAINABILITY KEY PRIORITY

Green Task Force

SGD & RELEVANT STRAND

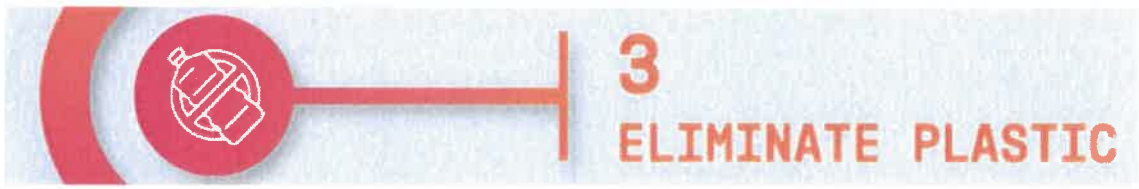
Environmental

SGD: 12, 13, 15

INITIATIVES

- The Management Systems, Sustainability & Quality Department will provides information about current sustainability practices.

Eliminate the Plastic



SGD & RELEVANT STRAND

Environmental

SGD: 12, 13, 14

INITIATIVES

- We are giving away water bottles to all our athletes staying at Gloria Sports Arena. In this way, we have placed water fountains in our sports health performance center, which is frequently used during the day, and reduced the use of bottled water, and replaced plastic water with glass bottles.

Waste Management

SGD & RELEVANT STRAND

Environmental

SGD: 12, 13, 14

INITIATIVES

- Within the scope of the Zero Waste project in our facilities, waste is collected by separating it according to product groups and delivered to authorized companies. There are waste separation containers in places that are easily accessible to guests and employees.
- We plan to prevent food waste by measuring the food waste returned from the buffet with the surplus food application.

Further information about Sustainability & Legacy for this event will be shared through the official communication channels, including the **European Aquatics, Gloria Sports Arena** and **Türkiye Swimming Federation.**

Declaration

European Aquatics Sustainable Commitment

Türkiye Swimming Federation

Our organization acknowledges that maintaining a clean environment and conserving water are crucial for ensuring a healthy and sustainable world, which is essential for the well-being of athletes and society.

We are also aware that achieving the United Nations Sustainable Development Goals requires significant and transformative actions to halt and reverse biodiversity loss by 2030.

In alignment with the European Aquatics strategy, the European Aquatics Social Responsibility principles, and the recommendations outlined in the European Aquatics Sustainable Chart, we commit to implementing ambitious and measurable actions in our activities and events. This commitment includes providing detailed reports on specific events and organizations to European Aquatics, as well as submitting an annual progress report on our outcomes.

We will also actively communicate our efforts to inspire and assist others in taking similar action.
