EUROPEAN AQUATICS

EA SWIM SAFE EUROPE

DECLARATION OF COMMITMENT

The program EA SSE seeks to promote european-wide swimming learning, especially for children, through a universal program with a scientifically supported pedagogical approach and consistent with the latest recommendations for reducing the risk of aquatic accidents.

Through the signing of this document, we demonstrate our commitment to:

- Fostering a high-quality swimming learning environment for all participants.
- Adopting best practices in swimming education and safety measures as outlined in the EA SSE framework.
- Actively engaging in the continuous improvement of swimming programs through collaboration and knowledge-sharing within the European community.
- Upholding the principles and standards set forth by the EA SSE program, and ensuring the full implementation of actions required for certification.

We acknowledge that this commitment is not only to the development of swimming programs within our own country but also to the broader European initiative to enhance water safety and swimming education for all.

I, _____,

National Federation _____
